

PRESS RELEASE

Lincoln Pharmaceuticals Limited has developed New NDDS formulation Ondansetron Oral Spray (Domi Up) "First Time In India"

Ahmedabad, Gujarat: BSE & NSE Listed, Lincoln Pharmaceuticals Limited, engaged in manufacturing of Pharma products like Tablets, Capsules, Injectables, Syrups, Ointments etc. at its state of art, fully automated, ultramodern, WHO-GMP standards and ISO-9001 certified manufacturing activities near Ahmedabad.

Lincoln Pharmaceuticals Limited is glad to inform that our R&D department has developed **Ondansetron Oral Spray (Domi Up)**. Domi Up Spray is NDDS (Novel Drug Delivery System) formulation.

Presently the Ondansetron formulation is available in the form of Tablet, Syrup and Injectable. Lincoln Pharma has developed Ondansetron (Domi Up) as Oral spray as **First Time in India**. This formulation is available in U.S. market only. Lincoln Pharma has done the Bio-Equivalent Study for Ondansetron Oral Spray and got the DCGI permission. Lincoln Pharma has launched Ondansetron (Domi-up) Spray in Indian Market.

Lincoln Pharma has launched Ondansetron Oral Spray (Domi Up) in the dosage form of 0.2 ml equivalent to 2 mg and 0.4 ml equivalent to 4 mg.

All India level the Anti-emetic drug market is **Rs. 678 Crores** and Ondansetron is one of the anti-emetic drug and all over India market is **Rs. 303 Crores**. Therefore, Ondansetron Spray (Domi Up) is having very good market opportunity.

Ondansetron Spray (Domi Up) is more helpful during travelling motion sickness. Its major use is in Oncology patient, when the Chemotherapy drug is given, Ondansetron Spray (Domi Up) is having very good result. It is also used in Gynaecology patient during the pregnancy. Ondansetron Spray is also used in all types of Surgeries like ENT, Neurological, Cardiac, etc. Ondansetron Spray (Domi Up) is having fast drug delivery as compared to Tablet and Syrup. So Ondansetron Spray (Domi Up) is having more advantages for patients.

Lincoln Pharma has got very good opportunity to get good market share out of Rs. 678 Crores. So, within 2/3 years the Company will make good milestone in the Anti-emetic Market by this Ondansetron Oral Spray (Domi Up).
